A new edition of the "Propliner Annual" will be published at the end of April 2023. Containing 172 pages crammed with photographs, most of which are in colour, news, and more than twenty major feature articles, the annual follows a similar format to earlier editions. Customers wishing to order the 2023 "Propliner Annual" can do so by either ordering via the on-line shop at **www.propliner.co.uk** or by completing this form and returning it with payment to the Sales Department. Readers in Europe should be aware that a number of countries charge varying rates of VAT, and responsibility for payment of any duty/tax rests with the customer. All copies despatched to Europe will have full customs documentation attached. Due to the increased number of pages, higher printing and postage costs it is regretted that the cover price has now been raised, and readers should be aware of this when ordering.
